SPECIAL FUNDS REGULATION NO. 1 - AMENDMENT B*Presented by
CF Reg #25-49*

1. The following amendments and supplement to Special Funds Regulation No. 1 are effective as of 1 October 1947 for all Offices and activities of the Central Intelligence Group, except those activities which are under the jurisdiction of the Office of Special Operations:

Paragraph 3.3 (b) is hereby amended to read as follows:

"(b) The application must be approved by the Chief of the branch to which the individual is attached. Such application will indicate the project or allotment to which the advance of funds will be charged. If no such project or allotment of funds has been approved, the application for advance will require the approval of the Director of Central Intelligence or his written designee before payment is made".

Paragraph 4.2 is hereby amended as follows:

"All vouchers will be approved prior to submission to the Certifying Officer, by the Chief of the branch to which the payee is attached, with the project or allotment of funds to be charged indicated thereon. If no such project or allotment of funds has been approved, the voucher will require the approval of the Director of Central Intelligence or his written designee before payment is made".

The following sub-paragraph should be added to Paragraph 2.3:

"The costs of travel and incidental expenses in connection therewith must be authorized or approved by the Director of Central Intelligence or his written designee before payment may be made from unvouchered funds".

2. The purpose of the above amendments and supplement is to revoke the authority of Assistant Directors (other than the ADSO) to approve payments of unvouchered funds for activities other than approved projects, and to limit the approval of such payments and the authorization or approval of travel to the Director of Central Intelligence or his written designee.
